Pickens, SC 29671

Park Office: (864) 878-9813

Reservations: 1-866-345-PARK (7275)

Stop by the Visitor Center for maps, trail conditions, weather updates, and safety information before you begin your adventure.

EMERGENCY: CALL 911

When calling 911, provide:

- Your name
- Type of emergency
- Trail name
- Closest trail marker or landmark
- Number of people involved
- Any known injuries or medical conditions

If you cannot call due to poor cell service, move to a safe location and try to reach higher ground or a developed area.

NEAREST HOSPITAL

AnMed Cannon Hospital
123 West G. Acker Drive
Pickens, SC 29671

(864) 878-4791

24-hour emergency services.
Approximately 20 minutes
from the park entrance.

& other essentials.

PARK RANGERS & STAFF

Rangers patrol the park and can assist with:

- Lost hikers
- Medical emergencies
- Wildlife encounters
- Trail closures
- Weather-related hazards
- Search and rescue operations

Provide as much information as possible about your location and situation.

WHAT TO DO IF YOU'RE LOST ON THE TRAIL

Stay calm. Remember the word STOP.

STOP

Stop moving. Wandering can make you more lost.

THINK

Consider the last marker, bridge, overlook or intersection.

OBSERVE

Look for blazes, signs, footprints, streams or landmarks.

PLAN

If unsure of your location, stay put and call 911 if service is available.

ADDITIONAL SAFETY TIPS

- ✓ Stay on established trails.
- ✓ Don't take shortcuts.
- ✓ Conserve battery.
- ✓ Carry a whistle.
- ✓ Use a flashlight/headlamp.
- ✓ Stay with your group.
- ✓ Make yourself visible if darkness approaches.

HOW TO RETURN TO HIGHWAY 11

1. Follow signs toward the park entrance.
2. Exit onto East Ellison Lane.
3. Continue to SC Highway 11.
4. Turn east toward Pickens or Travelers Rest.
5. Turn west toward Oconee County, Walhalla & Lake Keowee.

Highway 11 is the quickest route to hospitals, fuel, lodging & other services.

BEFORE YOU START YOUR HIKE

- ✓ Download trail maps
- ✓ Check the weather forecast
- ✓ Fill your gas tank
- ✓ Carry extra water
- ✓ Pack a basic first-aid kit
- ✓ Bring a flashlight or headlamp
- ✓ Save emergency phone numbers
- ✓ Tell someone where you are going
- ✓ Screenshot this guide
